**Position:** Cleaning Operative, Dublin Airport

**When did you join Momentum Support?**

I joined Momentum Support on the 10<sup>th</sup> of August 2018 on the Dublin Airport Site

**Tell me about your role in Dublin Airport?**

My role as a Cleaning Operative includes general cleaning duties on Level 5. The area is mainly offices which means I can work 8am to 5pm Monday to Friday. This is great as the weekends are for my family.

**What do you like most about Ireland?**

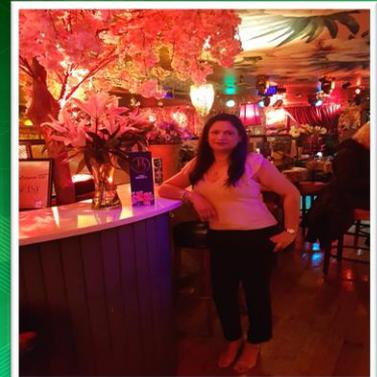

I love the weather in Ireland as it is different from Italy where I have spent most of my life. I like the Irish people because they are so friendly.

**What made Ireland so attractive for you to leave Italy to make your home here?**

I decided to move to Ireland to support my daughter's future education. Ireland has a very strong reputation for having high standards of education.

**What are your hopes for the future?**

I am very happy at Momentum Support and my hopes are really for my daughter that she will do well in school and be in a position to attend college and have a job in the future. This is the reason why we moved from Italy to Ireland as it offered so many possibilities for a good life style.

**What type of person are you? Please share with us a special memory?**

I am a very friendly and happy person. A very fond memory is the day when I received Italian Citizenship.

**What do love to cook?**

I love to cook and eat as well! I love Italian food with pasta dishes my favorite.

**Who has inspired you the most in your life so far?**

My Mother! Recently it was her second anniversary of her passing. If I could perform magic, I would bring her back...
