HEART TO HEART with the EDITOR

Name: Patrick Byrne
Position: General Operative,
Blanchardstown Centre

Congratulations Patrick Byrne as STARS Award Winner, how do you feel in this moment?

I am overwhelmed with happiness to receive the Stars Award.

As a STARS Award Winner, I would like to hear more about you?

I come from the local community just beside the Blanchardstown Centre. I started work with Momentum Support back in 1996 for the initial opening of the Blanchardstown Centre. This was when Momentum Support were awarded the Cleaning Contract. During my time I took a break to pursue another job. I gladly returned in 2017. I am very excited to be part of the new refurbishment of the Blanchardstown Centre.

What role do you carryout in the Blanchardstown Centre for Momentum Support?

I am a general operative within the External Team. I work on the early morning shift, starting at 4am till 9am. My duties are to prepare all the carparks to the highest cleaning standards expected. I really like my role as I am part of a Team but trusted to work on my own initiative within the scope required. A very important part of my role is meeting and greeting the Customers and Retailer as they arrive into the carpark and enter the Centre.

Why were you nominated?

I was nominated in 2021 by Paula Gaspari, Site Manager. For the standards I deliver. I am very punctual, and I have an excellent attendance record. Many times, the client has approached me directly to carry out other duties and I always receive praise for a job well done.

Who or what has inspired you to be the person you are today?

My Mother and Father inspired me to be the person I am today.

What is one thing you would do if you won the lotto?

I would give half to the homeless.

Have you any plans how to spend the 250 Euro Voucher?

Share with the Grandchildren

What do you like to do in your spare time?

I am the President of local Society for Vincent De Paul in Blanchardstown.

What is your life Motto?

Live a healthy life. 😊

One last word?

Thank You to Paula Gaspari for nominating me.

I am delighted Patrick has won the Quarter Two Stars Award (ROI). I nominated Patrick as he is extremely hard working. He always arrives at least thirty minutes before his shift is due to start. He works on his own initiative. During the lockdown it was challenging to maintain standards due to the reduction of hours but Patrick pulled out all the stops to ensure standards were met externally.

Patrick has always supported the Centre Management especially during lockdown as one of the Team members of the Local Hero Initiative. The Local Hero initiative collected and distributed food parcels to the local community services that care for the elderly and disabled. This was a worthy cause that supported hundreds of locals in a time of need during the pandemic. Well done, Patrick!

Paul Gaspari, Site Manager, Blanchardstown Centre.
