When did you join Momentum support?

I joined Momentum Support on the second of March 2020 during the pandemic.

What motivated you to move from accommodation assistant in the City North Hotel to Dublin Airport working as a cleaning operative on the front line with Momentum Support?

I was thinking ahead and I could see that hotels would be affected in the long term from the pandemic. I felt Momentum Support could offer a more secure and reliable income for my family.

What role do you carryout in the Dublin Airport for Momentum Support?

I am a general operative in Terminal 1, Dublin Airport and also the brand new building opposite the Airport known as DAC - Dublin Airport Central. I work on the mid-morning shift which starts at 10am till 7pm. My duties are to deliver cleaning to the highest BIC Sc standards (British Institute of Cleaning Science) for the Dublin Airport Executive Team. I love my job and I actually enjoy it. The team think I am a little crazy ! I am a person who has to complete all tasks otherwise it would be on my conscience all day!

What are you most passionate about?

My passion is music, I love all music from the 70's upwards. If there is music in the background I am moving!

Have you met a famous person in your line of duty?

This month I met Kelly Harrington, Gold Medalist Olympic Games Tokyo. She flew in to Dublin Airport on the 10th August 2021. It worked out perfect for me because my lunch break was at 2pm the exact time she was expected to arrive! I was so lucky and happy that family and staff were allowed to be present. She was so friendly and approachable. It made my day!

Who or what has inspired you to be the person you are today?

My Dad, Lord have mercy on him. I have his outgoing personality

Do you consider yourself lucky?

Yes, I am very lucky and grateful for my life 100% percent

What keeps you going in times of challenge?

Every morning on my way to work I pass the Airport Church and I say a prayer to my Father. Then I thank God for sending my husband and my family and for keeping them safe.

What is one thing you would do if you won the lotto?

Buy my own home

What do you like to do in your spare time?

I love to meet up with the girls. Prior to Covid 19 I really enjoyed going to Fairyhouse. Not for the horses but for the 80's festival. I love to dance !

What is your life Motto?

"I work to live, I don't live to work"
