When did you join Momentum Support?

I joined Momentum Support in September 2002. Momentum Support helped me with the work permit application process, which needed to be renewed annually until 2005 when Latvia joined the EU.

How did you hear about Momentum Support?

My Wife was already working for Momentum Support and she recommended I apply for a position in Ireland.

What is your life motto Igors?

I get paid to do a job and I make sure my job is done to the best of my ability.

"Igors is very reliable, hard working man. He has never let the company down and he always goes the extra mile. A pleasure to work with and a very nice man."

What is your role with Momentum support on the Blanchardstown Centre Site?

My role is External Cleaning Operative in the Carpark, Service Yards and Toilets. I use many types of machinery for example Sweeper, Billy Goat, Tractor, Power Washer and Salt Spreader in the winter. When I started the role in 2002 it was very difficult for me as it was more manual labour. We had no machinery on Site apart from one tractor. I remember I had to push the bins from the Carpark locations to the Service Yards. Thankfully today we have progressed with two tractors on site. Looking back my role is easier now through "innovation". Using the Sweeper today I can sit while driving in the warmth and comfort of the cab.

Is there anyone you would like to acknowledge with a special Thank You?

Firstly, I like to say thank you to Lorna Daly who nominated me.

I thank all Irish people who are so nice. I am now an Irish Resident as I have also an Irish passport. A very special day for my family was when we received Irish passports in 2015 at a Celebration in Dublin. I felt so happy.

If you had the opportunity to be in a position to speak to all the people in the World today, what would you say to them?

"Igor is very reliable. When I ask him to do tasks he delivers 100% everytime. I really do not need to check on him. Igor is so dedicated that many times after his duties are complete, I can find him doing even more. He works well individually or as part of the Team. He tells great jokes as well"
